- Dinner on your own to enjoy the fine restaurants that Vail offers.
- This format will be adjusted at times based on weather and conditions and special learning situations. Additionally, there will be two après ski/extended training sessions and a final après ski Celebration of Success.

How do I sign up?

- 1) Return your completed **Skier Profile Form** and **Registration/Billing Information Form**. See www.focusedlearningvail.com.
- 2) After we receive your completed forms we will reserve a place for you and contact you to confirm group availability.
- 3) A \$300.00 deposit will then be charged to your account.
- 4) Selected program materials will be sent 2 weeks before your program week to enable you to get started on the learning process.
- 5) Cancellation policy: If you must cancel your registration, a \$100.00 administrative fee will be charged. Less than 30 days prior to your program week, the entire deposit is non-refundable. (See Billing Information for billing details.)
- 6) The balance of the program fee will be charged to your account when the program begins.

Your ski equipment

The quality and fit of your boots and skis are a huge factor in developing your skiing skills and boosting your ability. We have established relationships with expert boot fitters whom we have found to be the best in the country. Our instructors work hand in hand with the boot technicians – evaluating stance and movements and experimenting with specified enhancements to your boots, assuring your boots provide the best performance for your individual skiing. We encourage you to bring your own boots, even if you plan on buying and fitting new ones.

We highly recommend starting the program with *all mountain skis* (ranging from 68cm-80cm at the ski's waist and a 12 to 21 meter radius), but you will have the opportunity to demo different skis at discount pricing and receive solid advice on the best models to match your level and interests.

Thank you for your interest, we hope you will be able to join us!

If you have questions, please call the *Focused Learning* hotline 970-754-3244 or 970-754-4328.
